Richard Shulman has been creating music for inner peace and meditation since 1985, and uses his skills as a jazz, classical, and healing-music keyboardist to create music to assist groups and individuals in experiencing their own spiritual essence.

Richard tours doing solo and group concerts and has produced eighteen albums on his label, RichHeart Music. His orchestral recording, the award winning Camelot Reawakened: A Vision Fulfilled is based on the fulfillment of dreams of the heart.
